

Chatham County Partnership for Children GENERAL INFORMATION FOR SUBMISSION

Smart Start Request for Applications

CONTINUATION ACTIVITIES FY 2018–2019

Due: January 31, 2018 by 5:00 PM

Funding Time Frame: Applications for continuation of currently approved Smart Start activities must be submitted by **January 31, 2018**. Applications will be considered only for activities previously approved for 2- or 3- year bids for Smart Start in Chatham County. Continuation applications should be for the period beginning July 1, 2018 and ending June 30, 2019. Funding is approved on an annual basis, per state fiscal year, and will be renewed ONLY after satisfactory evaluation of performance and availability of funds.

Types of Programs: Evidence-Based/Evidence Informed.

Smart Start funding may only be used for evidence-based or evidence-informed programs for children from birth to five years of age. The North Carolina Partnership for Children has established the following definitions for Evidence-Based and Evidence-Informed programs and practices:

- “Evidence-based programs or practices are those that have repeatedly and consistently demonstrated desirable outcomes through application of scientific research methods (replicated experimental, experimental, or quasi experimental.)”
- “An evidence-informed practice is one that is guided by child development theory, practitioner wisdom, qualitative studies and findings from basic research and has written guidelines, a strong logic model, and a history of demonstrating positive results. They may be rated “Promising” or “Emerging” by at least one source that rates evidence-based programs.”

Approved/available models are listed in The Smart Start Resource Guide of Evidence-Based and Evidence-Informed Programs and Practices (posted on www.chathamkids.org).

Collaboration: The Partnership remains committed to developing and supporting collaborations that further an effective and efficient system of services for young children and their families. Duplication of services and/or supplantation of funds must be avoided. Each proposal must show how their activity elements will fit into the continuum of services in Chatham County.

Sustainability: The Partnership encourages projects to view Smart Start as only ONE source of support for the need being addressed. Each proposal should demonstrate how the project is also supported by other resources. Smart Start’s broad objective is to build capacity for local communities to meet the needs of their youngest children. Reporting of cash as well as in-kind resources is required on a quarterly basis. Proposals that show strong sustainability and capacity building are preferred.

Measurable Outcomes & Evaluation Plan: Smart Start activities are required to maintain and to report results quarterly. Measures must be both quantitative and qualitative. Additionally, each activity is required to submit a logic model which connects needs, target population, and program elements to short and long term outcomes. The North Carolina Partnership for Children has created standardized outputs and outcomes for use across the state. NCPC policy requires the selection of at least one output and outcome for each Smart Start funded activity. The list of available outputs and outcomes is found in Appendix C and D. Additional guidance on approved outcome measures is provided by the NC Partnership in The Smart Start Outcomes Measurement Tools Resource Guide (also posted online at www.chathamkids.org). Technical assistance for evaluation planning is available by appointment with the Partnership’s Executive Director or Smart Start Program Coordinator.

Expertise: The Partnership seeks to maintain the highest levels of expertise and professionalism to serve Chatham County’s children. Each continuation request must include verification of education and expertise of current staff by submitting updated resumes for each position funded by the proposal. Staffing plans must also show how roles and responsibilities of each position contribute to projected outcomes.

- **Application Deadline:** Applications must be received in the Partnership office no later than 5 PM on January 31, 2018. Applicants are asked to submit their proposal on CD or flash drive in MS Word and MS EXCEL, as well as a signed hard copy. ***Faxed applications will not be accepted.***

Project Time Frame: Applications should include plans for services starting July 1, 2018 and should be designed to continue through June 30, 2019. Funding is contingent upon annual approval by the NC Partnership for Children and the availability of funds from the NC Legislature for the Smart Start Program.

Application Requirements: Applicants are required to submit a proposal on the forms provided. Bidders may contact the Smart Start Program Coordinator or the Partnership Executive Director for advice and guidance on their proposal.

Budget Requirements and Format: A line item budget for FY 18-19 is required. Funding awards will be for the 2018-2019 year only. Line item budgets, including budget narratives, must be submitted using the guidelines and form provided. Smart Start Cost Principles must be followed for all costs included in the proposed budgets.

Types of Proposals to be Considered: A separate application is required for each activity. All proposals must address the Smart Start Measures of Impact for child care activities as described in the child care goals and priorities list.

Smart Start Request for Applications

The Procurement Process

The following is a general description of the process by which a prospective Contractor will be selected to provide services.

1. Request for Proposals (RFP) or Request for Bids (RFB) is issued to prospective Contractors.
2. A pre proposal conference and/or deadline for technical assistance is set. (See the general information sheet of the RFP or RFB for details)
3. A proposal in one original and an electronic copy of the required format with the budget and all attachments will be received from prospective Contractors in a **sealed envelope or package**. Each original shall be signed and dated by an official authorized to bind the firm. Unsigned proposals will not be considered.
4. **All proposals must be received by the Local Partnership no later than the date and time specified on the cover sheet of the RFP/RFB.**
5. At their option, the Local Partnership's evaluators may request oral presentation or discussion with any or all prospective Contractors for the purpose of clarification or to amplify the materials presented in any part of the proposal. However, prospective Contractors are cautioned that the evaluators are not required to request clarification; therefore, all proposals should be complete and reflect the most favorable terms available from the prospective Contractor.
6. Proposals will be evaluated according to completeness, content, and experience with similar projects, ability of the Bidder and its staff, and cost. In the case of continuation proposals for previously funded activities and previously approved multi-year bids, project success and progress toward measurable outcomes will also be considered in evaluation of the proposal. Award of a contract to one Bidder does not mean that the other proposals lacked merit, but that, all factors considered, the selected proposal was deemed most advantageous to CCPC.
7. **Once selected, the proposal must be reviewed and approved by the NC Partnership for Children (NCPC). Additional information may be required upon review by NCPC.**
8. The Local Partnership will contact the selected Contractor to obtain information and documentation required for preparation of the contract to include the following:
 - a. Name; title; telephone and fax numbers; and mailing address, including street address and zip code, of the contract administrator.
 - b. Name; title; telephone and fax numbers; and mailing address, including street address and zip code, of the person(s) authorized to sign financial status reports.
 - c. Copy of Conflict of Interest Policy.
 - d. Proof of insurance that may include, but not be limited to, the following:
 1. Workers' compensation;
 2. General business liability;
 3. Fidelity bonding (e.g., employee crime or dishonesty);
 4. Professional liability;
 5. Automobile (owned, hired or non-owned)Providing and maintaining adequate insurance coverage is a material obligation of the Contractor and is the essence of the contract. The Local Partnership will not contract with any prospective Contractor that is unable to furnish proof of required insurance coverage.
 - e. Completed Internal Revenue Service (IRS) Form W-9 or
 - f. If a nonprofit entity, a copy of the Internal Revenue Code 501©3 determination letter received from the IRS.
 - g. Additional information may be required as prescribed by state law, NCPC/Smart Start policies and procedures, or at the sole discretion of the Partnership staff and Board.
9. The Local Partnership will not contract with any prospective Contractor that fails to provide **all** required information and documentation. After all required information and documentation has been submitted, the Local Partnership will prepare the contract, notify the selected Contractor and request that the Contract be signed. **A template of the Smart Start Contract that the selected Contractor will be required to sign is available upon request and after the approved template is released by NCPC.**
10. The Contract must be executed prior to the start of work and incurring any expenses.
11. If all proposals are rejected, prospective Contractors will be notified promptly by the Local Partnership.

PURPOSE OF COST PRINCIPLES

This document establishes principles for determining costs that may be paid with State Smart Start funds. These Cost Principles are not intended to address all items of cost.

The North Carolina Partnership for Children, Inc. (“NCPC”) is charged with ensuring fiscal integrity and accountability of State funds. In this role, we have developed the following Cost Principles, incorporating a variety of authoritative rules that Smart Start must comply with. These sources are further explained in the Resources section at the end of this document.

Key to citations relevant at the time of this update are as follows:

NCGS	North Carolina General Statutes
NCSL	North Carolina Session Law
NCBM	North Carolina Budget Manual
DCDEE	North Carolina Division of Child Development and Early Education Guidance/Requirements
CFR	Code of Federal Regulations - Office of Budget and Management (Federal Cost Principles)

The Smart Start Cost Principles are applicable only to State Smart Start funds, including Smart Start program income, and supersede any prior guidance for the items listed. In cases where expenditures are allowable but limited to a specific dollar amount, overages can be charged to other sources of funds.

Other sources of funds may have specific guidelines and principles that must be followed for their funds. Specifically, Federal Funds must follow all the requirements in the Uniform Guidance in 2CFR 200. NCPC requires you to follow our cost principles if they are more restrictive than the Uniform Guidance in 2CFR 200. Accordingly, each grant agreement or contract related to sources of funds other than Smart Start should be reviewed carefully to ensure compliance with requirements.

These Cost Principles are effective **July 1, 2017**, and apply to NCPC, the Local Partnerships, and their direct service providers and grantees. [The term “direct service providers” refers to external entities with whom a Smart Start Partnership subcontracts for services.] More restrictive provisions apply to direct service providers and grantees in several areas (Section B.7. - Condolences; Section B.10. - Employee Salaries and Fringe Benefits; Section B.14. - Food for Hosted Meetings and Events, Section B.18. - Interest; and Section B.29. - Severance Pay) as identified in **bold** text below.

Stricter principles may be adopted if desired.

GENERAL PRINCIPLES**A. Basic Considerations****1. Factors affecting allowable costs** [2CFR Part 200.403]

In order to be paid from Smart Start funds, costs must meet the following general criteria:

- a) Be reasonable and in compliance with these principles.
- b) Conform to any limitations or exclusions set forth in these principles.
- c) Be consistent with policies and procedures of NCPC and the local partnership.
- d) Be treated consistently.
- e) Be adequately documented.

2. Reasonable costs [2CFR Part 200.404]

A cost is reasonable if, in its nature or amount, it does not exceed that which would be prudent under the circumstances prevailing at the time the decision is made to incur the cost. In determining the reasonableness of a given cost, consideration shall be given to:

- a) Whether the cost is of a type generally recognized as ordinary and necessary for the operation of the organization or the performance of services.
- b) The restraints or requirements imposed by such factors as generally accepted sound business practices, fair and open competitive bidding, Federal and State laws and regulations, and terms and conditions of the Smart Start contract or grant agreement.
- c) Whether the individuals concerned acted with prudence in the circumstances, considering their responsibilities to the organization, its members, employees, and clients, the public-at-large, and the State.

B. Selected Items of Cost**ADVERTISING****1. Advertising** [2CFR Part 200.421] [NCSL 2015-241 §12B.9. (h)(2)]

- a) The following costs are allowable:
 - i. Classified advertising for recruitment of employees;
 - ii. Advertising for the procurement of goods and services;

- vi. Radio, television and internet advertisements that publicize direct services for children, families and providers who serve children and families; and,
- vii. Listings in community and resource directories.
- b) The following costs are unallowable:
 - i. Yellow page, display, classified, radio, television or internet advertisements other than those to publicize direct services for children, families and providers who serve children and families; and
 - ii. Billboards.
- c) *Also see Section B.25. Promotion and Public Relations.*

2. **Alcoholic Beverages** [2CFR Part 200.423]

Costs of alcoholic beverages are unallowable.

3. **Apparel and Jewelry**

- a) Costs of most apparel are unallowable. Apparel includes, but is not limited to, t-shirts, jackets, aprons and hats. Unallowable apparel includes, but is not limited to:
 - i. T-shirts, polo shirts or other clothing for staff, parents, child care providers, board members, or people in the community; and

There are many authoritative rules that Smart Start must comply with, including legislation (both NC General Statutes and Uncodified Session Law), the State Budget Manual issued by the NC Office of State Budget and Management (OSBM), and relevant Cost Principles issued by the Federal Office of Budget and Management (OMB).

Effective July 1, 2005, the State adopted administrative rules, Title 09 NCAC 03M, “Uniform Administration of State Grants,” applicable to non-State entities that receive grants of State funds. These rules provide that Federal OMB Circular A-87, “Cost Principles for State, Local and Indian Tribal Governments,” be used to determine allowable uses of State funds.

2CFR Chapter 2 – Office of Management and Budget Guidance Part 200 “Uniform administrative requirements, cost principles, and audit requirements for Federal awards”, should be used by not-for-profit organizations.

These Cost Principles incorporate the relevant provisions of each of the aforementioned guidelines, and where appropriate, citations are provided to indicate the source of the rule or concept. These Cost Principles also reflect NCPC policies, accumulated guidance from the Office of the State Auditor (OSA) and DCDEE, and best practices in areas of fiscal accountability.
