Heads and Tails

Ready to have some fun? **Heads and Tails puts the FUN in FUNdraiser!!**

To play, buy a bead necklace for \$10 from a volunteer. Necklaces will be sold at the registration booth and around the room. At 7:45 pm, we will ask all those wearing necklaces to stand up and put their hands on their heads or on their bottoms ("tails"). A coin flip decides who keeps playing and who sits down. The game continues until only one person is left standing! The winner gets a Two-night Log Cabin Stay in the NC Mountains.

Dessert Dash

What's for dessert? Check out our dessert table and whet your appetite for the Dessert Dash! The Dessert Dash is a time when you put your money where your mouth is to pick your favorite dessert for the evening!

Before the live auction begins, the auctioneer will ask your table to bid to determine who gets which dessert. Each guest will contribute to a table-wide bid. When the bidding is done and the bids are totaled, the auctioneer will determine who has the highest bid. You will be given a chance to increase your bids and then your bid sheets will be collected and the winning order determined. At the appropriate time, the Auctioneer will call table numbers in the descending order of the bids. Your table will select a "Dasher" who will run to the dessert table when your table number is called. The Dasher selects your dessert by putting your table number on the dessert of your choice! Your bids will be registered with the cashier and your dessert will be served to your table, complete with plates and silverware! But the best part? You will get your just desserts while supporting a great cause!
