Signature of Institution's Authorized Representative		Date

CACFP regulations require institutions to collect ethnic and racial data for each facility annually.

Adult participant or Parent/Guardian self-identification is the preferred method of data collection. School ethnic and racial data can also be used. (Identification by observation is no longer an allowable means of collecting ethnic and racial data.)

This data must be safeguarded and retained for 3 years. The institution must have procedures on file for maintaining the confidentiality of data collected on individuals.
